**Six-foot-four and dangerously handsome.
Christian Hesse. Every woman's fantasy.
And he turned my world upside down...**

I should have resisted.
He was too dangerous to touch.
But too tempting not to.
We spent two weeks tangled in bedsheets.
He claimed my body and soul.
Then he disappeared.

Now I'm carrying his baby.
And he's carrying a secret.
He's next in line to be king, and he wants me to be his queen.
But I refuse to submit again.
And guess what?
By mistake we ended up married.

Now he refuses to let me go...

****Accidentally Royal is a 70,000 words full-length standalone novel. This kindle edition romance bundle also features an exclusive never before published standalone novel: My Billionaire Protector for your reading pleasure!****
