**James Herriot’s timeless bestselling series is a delightfully fun look at a country veterinarian and the creatures that populate a charming English town**

Perhaps better than any other writer, James Herriot reveals the ties that bind us to the natural world. Collected here are three of his masterpieces—*All Creatures Great and Small*, *All Things Bright and Beautiful*, and *All Things Wise and Wonderful*—which have been winning over animal lovers everywhere for almost fifty years. From his night visits to drafty barns during freezing northern England winters, to the beautiful vitality of rural life in the summertime, to the colorful menagerie of animals—and their owners—that pass through his office, Herriot vividly evokes the daily challenges and joys that come with being a veterinarian.

Witty and heartwarming, this collection of whimsical, dramatic, and touching anecdotes reveals the ties that bind us to the animals in our lives. This edition features a new introduction from the author’s son and bonus archival photos.
