Some places are too good to be true.

Under a pink moon, there is a perfect little town not found on any map.

In that town, there are quiet streets lined with pretty houses, houses that conceal the strangest things.

After a couple years of hard traveling, ex-cop Mona Bright inherits her long-dead mother's home in Wink, New Mexico. And the closer Mona gets to her mother's past, the more she understands that the people of Wink are very, very different ...

From one of our most talented and original new literary voices comes the next great American supernatural novel: a work that explores the dark dimensions of the hometowns and the neighbors we thought we knew.
