We start at an auction, but I've decided to buy her for life.

She's got curves that have never been touched,

A body that begs to be claimed,

She's innocent, naïve and needs the money.

I'm filthy rich, and all I want is her - no matter what the price.

One night with her, and I realize, it's not enough.

But then she runs away...

I want to be her happily ever after.

And when she answers that one door I knock,

I realize...

*Sh*t...I'm her new stepbrother!*
