A father's love for his daughter is an unbreakable bond. Or is it?

John Jordan returns from his honeymoon to discover that in the early morning hours of July 4th, the unimaginable murder of 9-year-old Mariah Evers has taken place in a rented Gulf-front mansion in Cape San Blas, Florida.

Mariah's father, rising rap star Trace Evers, and his family want answers, but they appear to be suspects themselves.

There are no signs of forced entry and only Mariah and five other family members were known to be in the house at the time.

The case unearths ghosts from John's past and bears remarkable similarities to an unsolved murder that has always haunted him—the disturbing and disquieting death of JonBenét Ramsey, which earlier in the same year reached the heartbreaking milestone of its twentieth anniversary.

Can John do what the Boulder police never could? Can he solve this perplexing mystery before it too becomes yet another tragic unsolved case? Can he find the justice JonBenét still hasn't received?

Family bonds are strong, but the truth will come out in Blood Ties.
