A sexy new standalone from USA Today bestseller Sarina Bowen.

You'd think a billion dollars, a professional hockey team and a six-bedroom mansion on the Promenade would satisfy a guy. You'd be wrong.

For seven years Rebecca has brightened my office with her wit and her smile. She manages both my hockey team and my sanity. I don't know when I started waking in the night, craving her. All I know is that one whiff of her perfume ruins my concentration. And her laugh makes me hard.

When Rebecca gets hurt, I step in to help. It's what friends do. But what friends don't do is rip off each others' clothes for a single, wild night together.

Now she's avoiding me. She says we're too different, and it can never happen again. So why can't we keep our hands off each other?

*I loved this fresh new twist on the billionaire storyline and the absolutely dreamy hero. Nate is everything I could ever want in a book boyfriend - he's smart, confident, and completely smitten! Brooklynnaire is sexy and addictive! #1 NYT Bestseller Lauren Blakely*
