In this lively alphabet rhyme, the letters of the alphabet race up the cocunut tree. Will there be enough room? Oh, no - Chicka Chicka Boom! Boom!

A told B, and B told C, I'll meet you at the top of the coconut tree.

In this lively alphabet rhyme, all the letters of the alphabet race each other up the cocunut tree. Will there be enough room? Oh, no - Chicka Chicka Boom! Boom! The well-known authors of *Barn Dance* and *Knots on a Counting Rope* have created a rhythmic alphabet chant that rolls along on waves of fun. Lois Ehlert's rainbow of bright, bold, cheerful colors makes the merry parade of letters unforgettable.

Amazon.com Review

The 26 characters in this rhythmic, rhyming baby book are a lowercase alphabet with attitude. "A told b, and b told c, I'll meet you at the top of the coconut tree"--which probably seemed like a good idea until the other 23 members of the gang decided to follow suit. Lois Ehlert's chunky block illustrations show the luxuriant green palm standing straight and tall on the first page, but it begins to groan and bend under its alphabetical burden. First the coconuts fall off, then ("Chicka chicka... BOOM! BOOM!") all the letters also end up in a big heap underneath. A very simple board-book version stops there, but this original text goes on to introduce the helping hands of the 26 uppercase "mamas and papas and uncles and aunts." (Baby to preschool) --Richard Farr
