Jade Wilder finds herself standing in the office of Elite Crime Unit because pixies are after her brother. Yes, you heard right. Pixies! Mean, ruthless, evil pixies. Her house has been ransacked, her brother is now missing, and she needs help.

As Jade's story unfolds, dark elf and badass, Drake, can't deny the danger she is in or his instant attraction to the beautiful green-eyed human. He appoints himself her protector and soon realizes that walking away from her once the job is done will be next to impossible.
