**I hate him and yet I love him.**

**Trent's my soon-to-be adopted brother ... and he drives me up the wall!**

Janie's the daughter of two hippie do-gooders. Her parents have a mission to save the world, and that includes welcoming handsome quarterback Trent Lewis into their home after his parents pass in an unfortunate accident.

Trent's got a chip on his shoulder the size of a house. He's not interested in being "adopted" per se, especially because he's already an adult. But when the alpha gets a look at the curvy girl living under the same roof, suddenly the heat skyrockets ... because he and Janie are about to embark on the taboo!

*Hey Readers - Can you say FORBIDDEN? Well, we promise you'll shiver and squeal reading this fun-loving tale. As always, there's a sweet HEA where the BBW brunette gets her gorgeous man :) Bonus books included. Love, Katie and Sarah*
