Reese had always been very picky about the men she dated and was hell-bent to have the perfect first time with the man whom she could spend her entire life. However, her work seldom gave her a chance to go out until when her friend pushes her to take a chance. Little did she know that heading to a childhood friend's wedding might just get her to find her Mr. Right!

Blaine had it all - the money and the brain and was a typical romantic playboy but he sets his eyes on Reese during a wedding. However, Reese's fears take over and he is left unsure if he will ever see her again.

Will Reese's inability to commit until she finds the perfect guy, blind her from seeing what was right in her face.
