Hope has a deadly secret...

Hope has spent her entire life on the run, but no one is chasing her. In fact, no one even knows she exists. And she'll have to keep it that way. It's safer.

Even though mortals think the gods have disappeared, Olympus still rules. Demigods are elite hunters, who track and kill monsters. And shadow-demons from the Underworld prey on immortals, stealing their souls for Hades.

When tragedy destroys the only security she's ever known, Hope's life shatters. Is it the fulfillment of Apollo's curse, or is she being hunted?

Forced to hide, alone this time, Hope pretends to be mortal. She'll do whatever it takes to keep her secret safe— and her heart protected. But when Athan arrives, her world is turned upside down.

With gods, demigods, and demons closing in, how long can a monster stay hidden in plain sight?

Join Hope on her unforgettable journey to discover what it means to live and her daring fight to break Apollo's curse.
