She's off-limits. Inappropriate. A tease, a brat, a scandal waiting to happen, and a royal pain in my @ss.

Oh, and she's one more thing too: *all mine*.

...She just doesn't know it yet.

I have a problem. A five-foot-five, brown-haired, green-eyed little *tease* of a problem. A problem that's lived under my roof ever since I took her in as if she were my own years ago.

Lola. *Princess* Lola, that is. Lola with the fiery sass, the softest lips, the sweetest skin, and the most tempting curves these rough hands have ever wanted to grab ahold of.

I'm her guardian - the man who took care of her and raised her up. But my eyes have started lingering longer than they should. My thoughts have turned darker, and there's no turning back.

See, I want the little Princess to be *my* little Princess. I want her laid out dressed in nothing but jewels and a smile - a present waiting for me to unwrap and claim.

The world will say this is so f**king wrong. They'll say I'm more than twice her age. They'll say a rough, hardened, ex-soldier like myself has no business being with her. They'll say a lot to try and keep us apart.

They can all go to h*ll.

Because whatever my Lola wants, she'll get. And she's about to get *every* inch of what she wants.

...But only if she says *please*.

Are you sitting on your throne? Got your tiara and jewels ready? Good, you're going to need them. Get ready for *that* kind of book. You know what I'm talking about ;).

Wild, out of control, and pure dirty fantasy at it's finest. Packed with insta-love, kindle-melting steam, and *on* every dominant alpha. As with all my books, this one is safe, with no cheating, and a HEA guaranteed.
