She's ready to spread her wings and fly...

He's scrambling to set down roots.

Unconventional Dally Douglas is as likely to be found wearing her brother's britches and riding a horse as she is dressed in lace-trimmed finery sipping tea in the parlor. With no plans to wed, she convinces her family to allow her to stay at their ranch in Oregon. Free and unfettered, she plans to remain that way, even when the town's beloved young doctor returns home and captures both her interest and her heart.

Charismatic, handsome, and dedicated to his work, Doctor Nik Nash finally makes his way back to Pendleton. After years of studying and gaining hands-on experience, Nik is excited to bring his skills and knowledge to the place he calls home. Focused on his career, he has no time for a woman, especially not one as lively, fascinating, and enchanting as Dally Douglas.

When a freak accident brings the two of them together, their stubborn determination may cost them the chance to know true love.

Bursting with sweet romance, this tender yet lighthearted story draws readers into a world of rustic elegant charm.
