I waited years for her. One day she disappeared without a trace. I just didn't know she was carrying my baby.

I'm one of the Sons of Satan, part of an inner circle we call **The Devil's Riders**. I was just a prospect when I first saw her.

Becky Townsdale, the **curvy girl** who worked at Mae's diner.

She's so pretty it hurts to look at her. I waited to make a move until I was officially a Devil's Rider. And then, the night of the club Prez's wedding **made her mine**.

Devlin and Kaylie might have gotten married that night, but we're the ones who **made a baby**. I just didn't know it yet.

Now she's back in town to help Mae save the diner before it gets shut down. She's avoiding me but I'm not having it. I **waited a year** to get over her and it never happened.

I want her back, this time for good. And that's before I find out about the baby.

She's mine and she doesn't even know it yet.
