I told myself over and over that I should not fall for him...Cosimo DeLuca.

Beautiful green eyes, dark curls, and a body I just want to wrap myself around...

I want him inside me so badly, but I carry so much baggage from my past—and why would a man like Cosimo care about a kid like me?

Except...he's sweet and kind—and the way he looks at me...

Did I mention he's my boss?

Yeah, getting involved is not so great an idea...

But I can't stop thinking about him...and now he's walking towards and offering me everything I ever wanted.

This is a full-length standalone novel with a happily ever after, no cliffhanger, no cheating, and plenty of steam.

Bonus content included.
