In this thoroughly revised and updated 25th-anniversary edition of his now-classic work, John C. Maxwell reveals how to develop the vision, value, influence, and motivation required of successful leaders.

Twenty-five years ago, John Maxwell published the book that forever transformed how we think about leadership. *Developing the Leader Within You* revolutionized the way leaders are made and in the process sold more than one million copies. Now John Maxwell returns to his classic text to include the leadership insights and practices he's learned in the decades since the book first appeared. Thoroughly revised and with two completely new chapters, this new edition updates the foundational principles for transformative leadership that Maxwell has used as a leader for more than 40 years. No matter what arena you are called to - family, church, business, nonprofit - the principles Maxwell shares will positively impact your own life and the lives of those around you. New listeners as well as longtime fans of Maxwell and the original book won't want to miss out on this one.
