When tragedy strikes, Laurel finds her life at a crossroads. Does she try to piece together the remnants of her once-perfect marriage to Jack? Or does she take a chance on creating something new and beautiful with ex-soldier Isaac?

A hard-hitting, emotional new series from *USA Today* bestselling author Cassia Leo.

Jack and I had everything. Then, in one brutal instant, the universe tilted on its side, discarding us into black nothingness.

Now, I have a cocky a**hole for a husband.

The only way we communicate anymore is when we're fighting or f**king.

With nothing left to lose, I write Jack a goodbye letter and head for Portland, where I quickly meet a neighbor who helps me find a job.

My new neighbor – hot, tattooed ex-soldier Isaac Evans – is complicated. Nevertheless, we form a fast friendship, bonding over our mutual desire to create something beautiful from the wreckage of our lives.

But despite the distance between us, Jack and I are still trying to make things work—fighting and f**king dirtier than ever. And he doesn't appreciate my new friendship with Isaac. Not one f**king bit.

READER DISCRETION ADVISED: This book is not for the easily offended. Due to strong language and graphic sex and violence, this book is not intended for sensitive readers or readers under the age of eighteen.
