From the award-winning author, screenplay writer, and producer of several well-known teleplays and television series Earl Hamner Jr comes heartwarming stories of love, family, and hope that inspired the popular television show

The Waltons.

Spencer's Mountain:

High up on a mountain, young Clay-Boy Spencer joins his father and eight uncles to hunt the mythical white deer. What he finds on the mountainside changes his life—and marks him for a special destiny.

The Homecoming:

Years after the events of *Spencer's Mountain*, Clay Spencer—Clay-Boy's father—fails to return home on Christmas Eve. Leaving his worried family, Clay-Boy takes to the snowy Virginia hills in search of his father in a Christmas story told with warmth and power.
