Harry Sullivan has always put his family first, even when it meant losing Molly—his one true love. He’s never been able to forget her, even after fifteen years. Now that his siblings are all blissfully happy, Harry hopes it’s not too late for his own happily-ever-after. But then his doorbell rings...and one look at the teenage girl standing on his doorstep changes absolutely everything.

Molly never thought she’d see Harry Sullivan again, so she’s beyond stunned when her fifteen-year-old daughter brings him back into her life. At eighteen, Harry was already strong, sexy, and honorable. And now that he’s even more handsome, more brilliant, more loyal and caring? Molly can’t stop herself from falling in love with him all over again. Especially when his kisses and the sizzling attraction between them are hotter than ever.

But with more at stake now than they ever thought possible, will they be able to move beyond the mistakes they both made in the past, and fall in love forever this time?

EVERY TIME WE FALL IN LOVE is part of Bella Andre's New York Times and USA Today #1 bestselling series about The Sullivans. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books, too.

"Not since Nora Roberts has anyone been able to write a big family romance series with every book as good as the last. Bella Andre never disappoints." *Revolving Bookcase Reviews*

"The New York Sullivans are every bit as fantastic as their cousins." *Deanna on Goodreads*
