Scotty Kilmer, mechanic for the last 50 years and star of YouTube's "The Scotty Kilmer Channel" for DIY car repair (with over 200 million video views), has revised and updated his book: *Everyone's Guide to Buying a Used Car and Car Maintenance*. In the book, he shows how to check out used cars for purchase yourself and how to avoid the proverbial used automobile "lemon." From the initial glance at the dealer (or private seller) through the road test and bartering stage, Scotty shows how to evaluate a vehicle for purchase, and also provides more in-depth tips for experienced do-it-yourselfers. And as a bonus, he also provides tips on essential auto maintenance for all autos, used or not. Whatever your level of sophistication, this book will help keep you from getting swindled in your next car purchase and keep you on the road for many years to come.
