**TWO DISTRESSED HEROES.
THREE DASTARDLY CRIMES.
AND THE SLICKEST HEISTS OF ALL TIME.**

Imagine Bin Laden meets Bernie Madoff—and hold on for the ride.

A mysterious summons lures Kyle Achilles to a midnight meeting that shocks the world and sets a master plan in motion.

Meanwhile, his former partner also enters a terrible trap. It's ingenious and unprecedented, but just a hint of what's to follow.

Achilles and Jo join forces against the cunning culprit, but time is tight and the pressure is great. The Russian is not just making millions with his clever crimes—he's waging war on the United States.

Come for the characters, stay for the surprises. Falling Stars is a fast-paced thriller you'll want to share with friends.
