Willow. Flower shop owner and commoner.

I was her king, a ruthless and brutal ruler who didn't back down.

And from the moment I saw her I knew she was mine. I had to have her, not just in my bed but also by my side. As my queen.

So I had her taken from her home and made a deal with her. I'd make sure her ailing mother was taken care of and pay off her debts if she agreed to one thing.

Be my wife and carry my heir.

What I wanted I got, and the only thing that I wanted more than all the riches and jewels in the world was her. Willow.
