Drawn from her decades of experience as a hospice nurse, Trudy Harris shares stories that offer an incredible glimpse at what lies beyond this world—ethereal music, colors that did not exist on earth, angels, and loved ones who have gone on before. She has been with hundreds of patients as they took their last breaths and knows the kinds of questions that both the dying and their loved ones ask: *What happens when we die? What should I say to a loved one who is dying? How can I make a dying friend feel safe?* The stories she shares will bring the reader comfort and peace even amidst pain.

Tender, heartbreaking, and eye-opening, this expanded edition of the *New York Times* bestseller offers more incredible windows into the world beyond and life after death.
