**A *NEW YORK TIMES* BESTSELLER!**

**“All you ever wanted to know about Fleetwood Mac’s mesmerizing frontwoman.” *People Magazine***

**“Davis is astute and respectful...adept in his literary analysis.” *The New York Times Book Review***

Stevie Nicks is a legend of rock, but her energy and magnetism sparked new interest in this icon. At sixty-nine, she's one of the most glamorous creatures rock has known, and the rare woman who's a real rock 'n' roller.

*Gold Dust Woman* gives "the gold standard of rock biographers" (*The Boston Globe*) his ideal topic: Nicks' work and life are equally sexy and interesting, and Davis delves deeply into each, unearthing fresh details from new, intimate interviews and interpreting them to present a rich new portrait of the star. Just as Nicks (and Lindsey Buckingham) gave Fleetwood Mac the "shot of adrenaline" they needed to become real rock stars—according to Christine McVie—*Gold Dust Woman* is vibrant with stories and with a life lived large and hard:

- How Nicks and Buckingham were asked to join Fleetwood Mac and how they turned the band into stars
- The affairs that informed Nicks' greatest songs
- Her relationships with the Eagles' Don Henley and Joe Walsh, and with Fleetwood himself
- Why Nicks married her best friend's widower
- Her dependency on cocaine, drinking and pot, but how it was a decade-long addiction to Klonopin that almost killed her

- Nicks' successful solo career that has her still performing in venues like Madison Square Garden
- The cult of Nicks and its extension to chart-toppers like Taylor Swift and the Dixie Chicks
