While walking home from work one evening, Jeff Manning is struck by a car and killed. Two women fall to pieces at the news: his wife, Claire, and his co-worker Tish. Reeling from her loss, Claire must comfort her grieving son as well as contend with funeral arrangements, well-meaning family members, and the arrival of Jeff's estranged brother, who was her ex-boyfriend. Tish volunteers to attend the funeral on her company's behalf, but only she knows the true risk of inserting herself into the wreckage of Jeff's life.

Told through the three voices of Jeff, Tish, and Claire, *Hidden* explores the complexity of relationships, the repercussions of our personal choices, and the responsibilities we have to the ones we love.
