Dragon shapeshifter Cathal MacAlasdair is on the brink of losing a dangerous power to his enemy when a whip-smart alchemist strikes a bargain...and lights a fire inside his heart.

Legend claims

When Scotland fell to English rule

The Highland dragons took a vow:

Freedom at any price.

The war may be over, but so long as English magic controls the Highlands, not even a dragon laird can keep his clan safe. What Cathal MacAlasdair needs is a warrior fierce enough to risk everything, yet gifted enough to outwit an enemy more monster than man.

What he needs is Sophia.

Alchemist Sophia Metzger traveled to Loch Arach in search of knowledge. She never dreamed she'd learn to do battle, ride through the stars on the back of a dragon, or catch the eye of a Highland laird. But as her quest turns to sizzling chemistry and inescapable danger, she'll soon discover the thrill of being caught in a dragon's claws...
