Dinesh D'Souza, author of the #1 *New York Times* bestseller *America*, is back with this darkly entertaining deconstruction of Hillary Clinton's flawed character and ideology. From her Alinskyite past to her hopes for America's progressive future, the presumptive Democratic nominee is revealed to be little more than a political gangster intent on controlling the nation's wealth. D'Souza chronicles the sleazy ascent of the Clintons and makes clear what some voters have long suspected: that Hillary is far more dangerous and corrupt than Bill ever was.
