Reasons not to sleep with Flynn Phillips. Again.

- 1.He's cocky.**
- 2.He's annoying.**
- 3.And I can't stand his Australian a\$\$!**

I can't stop thinking about it either ...

Since our wedding hook-up months ago,
He's ruined me!

My O has gone—it's been months since I... well, you know...

I think I need a do-over,

A chance to prove that the problem is all in my head,

That he *didn't* rock my world.

That he *isn't* the star of my fantasies,

Because as pretty as Flynn Phillips is,

He's a player, and I'm tired of the game.

There's no way he'll feature in my long-term plans.

Babies. Marriage. A white picket fence.

Or would he?
