In the *Wall Street Journal* bestseller, lawyer turned rogue Darren Street faces the most personal and ruthless vendetta of his life.

After forfeiting years serving time for a false murder conviction, former criminal defense attorney Darren Street finally got his freedom back and is trying to build a regular life. But when an unthinkable tragedy shatters his hard-earned normalcy, Street is left reeling from the devastating blow.

As the criminal-justice system refuses to dispense justice, he sets out—without mercy—after the man responsible. Unwilling to stop at simply righting one wrong, Street decides to dust off his legal skills and dive back in—this time to unseat the district attorney general in Knoxville, whose callous indifference nearly let a man get away with murder.

Now navigating a broken establishment already steeped in corruption, Street will find the retribution and redemption he so desperately needs—unless it draws him even deeper into the very chaos that derailed his life in the first place.
