"A well-crafted tale of murder begotten by the collision of two incompatible worlds." -Kirkus Reviews

SOME AMISH COMMUNITIES AREN'T SO COZY.

The death of a teenage Amish girl in a cornfield looks like an accident, but sheriff Serenity Adams suspects foul play. To solve the murder, she must investigate the nearby Amish community with the help of a man who was shunned years ago.

At first glance, the case seems obvious. The poor girl was probably accidentally shot during hunting season, but when the elders of the Amish community and even the girl's parents react with uncaring subdued behavior, Serenity becomes suspicious. As she delves deeper into the secretive community that she grew up beside, she discovers a gruesome crime from the past that may very well be related to the Amish girl's shooting.

Serenity's persistence leads her to a stunning discovery that not only threatens to destroy her blossoming romance with Daniel Bachman, but may even take her life in the end.

Lamb to the Slaughter is the fast-moving and gripping first book in SERENITY'S PLAIN SECRETS, an Amish-themed mystery/thriller series.
