In the 60s, there was Heloise. In the 80s, there was MacGyver. In the 90s, Martha. But in the twenty-first century, who needs an expert or an encyclopedic brain? We've got life hacks! Life hacks are budget-friendly tips, tricks, and shortcuts that are intended to make life more efficient, solve common problems, and make you feel like you are #winning.

The *Life Hacks 2018 Day-to-Day Calendar* contains helpful hints to read and share, like how to cure a hangover, get the most out of your electronics, improvise in the kitchen, get freebies on your birthday, and escape from a crocodile's jaws. (Hey, you never know . . .) Readers of all ages will appreciate this collection of useful and entertaining ideas from Keith Bradford, author of *1000 Life Hacks* and creator of 1000lifehacks.com.
