**Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!"**

Charged with sensuality and passion, Pablo Neruda's love poems are the most celebrated of the Nobel Prize winner's oeuvre, captivating readers with earthbound images and reveling in a fiery re-imagining of the world. Mostly written on the island paradise of Capri (the idyllic setting of the Oscar-winning movie *Il Postino*), *Love Poems* embraces the seascapes surrounding the poet and his love Matilde Urrutia, their waves and shores saturated with a new, yearning eroticism.

*And when you appear  
all the rivers sound  
in my body, bells  
shake the sky,  
and a hymn fills the world.*
