**An Enemies to Lovers Second Chance Romance!**

He was my first kiss. The man I wanted to spend eternity with.

And then the monster broke my heart.

After that fateful night at prom, I swore I'd never go near Sam Logan or his family ever again. But when my sister gets engaged to Sam's brother, I'm forced to walk back into his world.

Avoiding him becomes impossible.

And when he gets me alone in his bedroom, the place we first gave in to our aching, hungry need... I know he's going to make me his again.

But second chances come at a price.

After all this time wondering why Sam hurt me years ago, I'm close to discovering an answer.

I should be happy. Instead, I'm terrified.

His secret pushed us apart once.

This time... the truth could destroy us forever.

*NO cheating, no cliff hangers! The Dirty Brothers Series follows three powerful, passionate men as they encounter the rare women who make their hearts thud with true love. But don't you DARE think these stories aren't packed to the page with hot, explicit fun... because trust me, they're as skin-melting as anything I've ever written.*
