Kat's about to drop triplet's, Mengele's up to some crap I can't get a bead on and there's a pedophile on the loose in my backyard. Welcome to my life!

Bad boy Colton Lyon can deal with pretty much anything that comes his way except maybe when it comes to his wife and kids. The once rough and tumble biker is now all in with being a family man and he's trying his best not to get any more blood on his hands. But since marrying Kat and her having daughters, it's getting harder to do. Now some fool is loose in his neck of the woods and with his wife about to give birth any day, he has no time to waste cleaning up the mess the local law enforcement seem hard pressed to deal with.

"He better hope those boys with badges get ahold of him before I do, because there's a good bet he'd fare better in prison than he would with anything I have in store for him."
