Bitcoin is not just a new word in the Internet age or technological and financial progress, it's a start of a new era on the Earth! Even 10 years ago we even couldn't imagine dreaming about digital money - you can't physically touch them but you can own and spend them. Today this is a reality! Bitcoin revolution covered the whole world like a huge wave, more and more people interested in this "Digital Gold".

Over the past few years, Bitcoin has grown from something known only to a select few tech nerds into a revolutionary currency that has rapidly changed the way that we think about the concept of money. You no doubt see Bitcoin payments accepted in all kinds of places now, but, if you can believe it, it used to be a fairly complicated procedure for finding places that let you pay in Bitcoin.

Anyway, to run the world you need to know everything. We can't guarantee that you will know EVERYTHING from this book, but we can guarantee you will have the notion of a new currency - Bitcoin. What is it? Where did it come from? How do you use it? Is it really just fake internet money created by drug dealers? That is precisely what we will be answering in this book. We'll cover everything you need to know in order to get started with Bitcoin:

- understanding the Blockchain and Bitcoin transactions
- where to keep your Bitcoin (how to choose a secure wallet)
- buying Bitcoin
- investing in Bitcoin
- how to start accepting and using Bitcoin as a part of your business
- principles of Bitcoin mining

- the security of Bitcoin etc.

Also, the author will share with you interesting facts about Bitcoin and will give you professional tips on the start of your way in Bitcoin family!

Ready to take on the Bitcoin world yet? I hope so.

I'd like to be the first to officially welcome you to the world of Bitcoin!
