While we all use digital technology daily, many of us don't realize how text, audio, and visual media converge together to enhance our everyday experiences. The new edition of *Media & Culture: Mass Communication in a Digital Age* enriches students' understanding of these experiences - a skill that has become more important than ever. *Media & Culture* starts with the digital world students know and then goes further, focusing on what these constant changes mean to them. Through new infographics, cross-reference pages, and a digital jobs feature, the book explains and illustrates how the media industries connect, interlock, and converge, *Media & Culture* brings together industry expertise, media history, and current trends for an engaging, exhilarating look at the media right now.
