You don't need to be a genius to work the stock market. Sure, there's a vast amount of information to wade through and plenty of "experts" with questionable management advice. Kyle Dennis wasn't a market genius, but with a smart stock-trading strategy, he achieved massive profits—and you can, too.

Kyle graduated from college with \$80,000 in debt and \$15,000 in savings, but in a few short years he earned millions through the stock market and was debt-free. In *Middle-Class Millionaire*, Kyle shares his story and his guiding principles to motivate you to achieve your own success through trading. You'll discover the types of trading, why catalyst trading is great for amateurs, and the importance of perseverance.

Whether you're hoping to make a little bit of extra money or to quit your job and invest full-time, Kyle's story provides the inspiration you need to reach your goal.
