Doc Ford is on a collision course with death in this extraordinary *New York Times* bestseller from Randy Wayne White.

The Red Citrus trailer park is inhabited mostly by illegal laborers. But the steroid-powered park manager and his grotesquely muscular girlfriend figure that selling the park to developers would be easy money—and they're ready to do whatever it takes to drive the residents out.

The problem is a young girl who the laborers believe talks to God. The manager doesn't know if she's valuable or a liability. But when the girl witnesses him dumping a corpse into a lake, there is one thing he knows for certain: He's got to shut her up permanently.

The girl's only hope for survival: marine biologist Doc Ford, who must search through an underground, invisible nation...and hope he reaches her in time.
