The world has changed forever.

- Governments have expanded their reach over their citizens' lives,
- Power is being consolidated by an elite few, and
- The world economy has become more volatile and unpredictable.

Meanwhile, the internet, a globalizing world economy, and the emergence of the developing world present opportunities to anyone willing to make simple changes to their life.

Geography is no longer a limitation for those willing to follow Andrew Henderson's 'Five Magic Words' and **"Go where you're treated best."**

As the world's most sought-after expert on offshore tax planning, second passports, and global citizenship - cited by the BBC, Bloomberg, Elite Daily and more - Andrew has condensed his last ten years of investigative world travel into an unprecedented book to help entrepreneurs and investors keep more of their own money, live where they want, become citizens of the world, and improve their lives and the planet.

Direct. Honest. Experienced. Unapologetic. Practical. Transparent. Even funny. The Nomad Capitalist will show you how to take his "E-K-G" formula to:

- ENHANCE your personal lifestyle,
- KEEP more of your money, and
- GROW your money by living, investing, banking, and doing business overseas.

From foreign companies to offshore accounts and from overseas investments to dual citizenship, you'll find everything you need to know to begin a life of international proportions, storing gold in super-secret vaults, finding love in exotic locations, and improving everything from your health to your tax bill by simply "going where you're treated best."

It is no longer enough to be a digital nomad. Those who want complete freedom from the world's broken system **must become Nomad Capitalists**, learning to navigate the world system to reclaim their freedom and rediscover the possibilities of capitalism's greatest promises.
