An Amazon Charts and *Wall Street Journal* bestseller.

It has been a year since Brooke escaped to the lovely coastal community of Amesport, Maine, where no one knows her real name or what she's been through. Now she's finally heading back home to California. That means saying goodbye to Liam Sullivan, her millionaire blond god of a boss who's fulfilled every one of Brooke's fantasies. If only in her dreams...

Liam has his fantasies, too—and he's not letting Brooke go. When he confesses his feelings, it opens the door to an incendiary romance that's been a long time coming. So has Brooke's *own* confession: that the woman Liam is falling for has been living a lie.

But there's a secret about Brooke that *evenshe* doesn't know. When it's revealed, it'll put a whole new spin on her past, her future with Liam, the true meaning of family, and the rewards of following her heart.
