There's a new badge in the land of crime fiction... and it's pinned on a man who can stand tall alongside lawmen like Raylan Givens, Walt Longmire, and Jesse Stone.

Sheriff Colt Harper lives by his own moral code. His relentless crusade against drug crimes in his rural Mississippi county infuriates a Memphis mobster who sends Hack, his cold-blooded assassin, to stop him. ATF Special Agent Molly McDonough, looking to save her troubled career, follows Hack's trail of corpses to Harper's turf. The fates of Harper, McDonough and Hack collide in a bloody, brutal showdown for justice, redemption and survival that can only be fought outside the law.

"Outside The Law is a winner in the tradition of Justified and Walking Tall. There's right and there's wrong and the no man's land in between. Thompson explores them all, but it's the reader who gets the big payoff in the end." Reed Farrel Coleman, New York Times bestselling author of Robert B. Parker's Debt To Pay

"If you're a fan of Justified you're going to love Outside the Law. Sheriff Colt Harper is an old-West gunfighter in the modern world. The action doesn't stop." David Morrell, New York Times Bestselling author of FIRST BLOOD and creator of the legendary character Rambo.

"Pure entertainment with an edge. The guy can write!" Linwood Barclay, New York Times bestselling author
