Police officer, Avery, is on the trail of two drug dealers. In an attempt to break up a smuggling ring, she finds herself in the small town of Bear Creek. There is just one problem, she isn't exactly there in an official capacity. Determined to clear the name of a family friend, and unmask a dirty cop, Avery is determined to succeed.

However, when the bad guys head into the mountains, she knows she can't do the job alone. She needs a guide.

Bear shifter, Jacob, is a mountain ranger, born and bred in Bear Creek. He loves the outdoors and hates the idea of drug smugglers using the mountain for their deals. When he meets Avery, and discovers she is his mate, this gives him one more reason to team up with the tough female officer. There is only one problem, Avery has no idea he has another side, a side that will do whatever it takes to keep her safe.

Jacob will fight tooth and claw to bring down the bad guys, but he soon realizes Avery is brave and fearless, and capable of handling herself. Can these two fated mates work together to bring down the bad guys, and make the world a better place? Or will Avery reject him and destroy his dreams of a wife and cubs?
