**F*ck big bad Wolfe.
Nobody is gonna eat her but me.**

It started with a simple bet. The stakes were clear.
If I won, I'd get a kiss. Not one of those quick pecks either.
No.
A long, tantalizing taste that would make her head spin and leave her breathless.
If she won, I'd drive her out of this sh*t town on the back of my Harley.
It wasn't exactly a tie, but we both got what we wanted.
Now I'm taking Red on a road trip to her grandmother's house.
A place for her to be safe. A place for her to start over.
Because if her psycho ex, Wolfe, hunts her down, he'll kill her.
Unless I destroy him first.

****Riding Lil' Red Hard* is a very steamy *STANDALONE* contemporary romance with no cliffhanger, no cheating, and a guaranteed happily-ever-after. For a limited time, the other books featuring the sexy-as-sin Navy SEAL hero, Ryan, are included as a bonus. See how it all began!***
