Most think that newest VC Warrior, Ronan McDonald, is just a laid back cowboy. What they don't see is the inner turmoil that only his small ranch and horses can tame. At least that was the way it had been until a witch with a beauty none could deny walked into his life.

Running has been Kira Grail's life for as long as she can remember. It isn't until she meets a VC Warrior that she realizes she is growing weary, but the forces chasing her will never bend.

Ronan doesn't believe in witches or curses. What he does believe is that only he can keep Kira safe. Together they fight to bring the once powerful warlock, Orjyll, to his knees releasing the women of the Dragonfly Coven. During their perilous journey Kira vows to keep her distance, but the vampire cowboy has other plans.
