Taking her virginity was the best moment of my fu@king life.

I remember like it was yesterday.

Cotton candy, Ferris wheels, chills every time her hair brushed against my face.

We were so young, so in love, but I was so fu@ked up.

The bad boy your daddy hated. And still hates.

I didn't deserve her back then.

But shit's changed, and some secrets can't stay hidden forever.

I'm back to make things right, but people in this town aren't so forgiving.

I might be a good guy now, but fu@k with my family and watch the bad boy come out.

Second chances and single daddies oh my. Always full-length. Always a happily ever after.
