**She's definitely on Santa's naughty list.
And I'm the one who put her there.**

Being Santa Claus isn't on my bucket list.

I'm *naughty*, not *nice*.

But when hot single mom Maci Hannah walks into my life, all I can think about is how I'd love to *get her* on my lap, my face, even my bed.

While she tells me exactly what she wants for Christmas.

But, I'm not a real Santa Claus.

I'm a billionaire.

I've come back to my childhood home for the holidays.

And as luck would have it, things have changed.

But, I know what I want and I'm going to get it.

Starting by putting Maci at the top of my naughty list.
