I need her to play wife. She needs me to play daddy.

Olivia is torture in a Gucci dress. Spoiled and sassy.

Everything I hate, and everything I love.

She's also my late best friend's sister and guardian to his daughter.

She's going to help me clean up my image.

I'm going to help her keep parental rights.

But I'm no daddy. I'm the devil in a black suit. Demanding everything from everyone.

Savage.

Claiming her innocence has been my deepest desire for years.

Even if it means my destruction.

Too late to stop. Too gone to care.

I'll pay the price. Anything. Anyone. For her.

All Kira Blakely novels include alphas who know what they want and how to treat a lady. This is a full-length, standalone, steamy romance novel. No cheating, no cliffhanger and a guaranteed happily ever after.
