A winter blizzard brought Melanie to the doorsteps of my cabin.

Before the delicate beauty came into my world...

All I gave a damn about were the orphaned kids under my care.

Now, the sight of her alone and afraid puts my inner beast into overdrive.

She's running from her past.

And, a man with a death wish wants to harm her.

I'll protect and safe guard her.

He has no clue who the f*ck he's messing with.

70,000+ words in this full length standalone romance. Bonus content after the main story, including a new firefighter romance: Heart on Fire. Grab your copy today.
