When Alexander Westcott becomes the new Earl of Riverdale, he inherits a title he never wanted and a failing country estate he can't afford. But he fully intends to do everything in his power to undo years of neglect and give the people who depend on him a better life. . . .

A recluse for more than twenty years, Wren Heyden wants one thing out of life: marriage. With her vast fortune, she sets her sights on buying a husband. But when she makes the desperate—and oh-so-dashing—earl a startlingly unexpected proposal, Alex will only agree to a proper courtship, hoping for at least friendship and respect to develop between them.
