Welcome to Club Deep-- the hottest, dirtiest club on the block. And my brand new home.

I didn't mean to audition for a job as a GoGo Dancer. It was an accident-- I was only trying to encourage my nervous friend. She's the one who really wanted the job!

I guess I made an impression, though... because the club owner hired me on the spot.

When I hesitated, he tempted me with a huge salary; WAY more than anyone else.

Why is he so interested in me?

And what happens when he pulls me off stage and corners me in a dark room?

This is part of the Club Deep series-- all standalone novellas, all set in the naughtiest place around. Feeling daring?

Then come on in...

P.S. Like my other books, these contain NO cheating, tons of heart throbbing heat, and the best kind of happily ever afters around.
